Hadith from Imam Ali Ibn Al Hussein (AS): 'Were people aware of what lies in the obtainment of knowledge, they would pursue it even though they had to make voyages and endanger their lives to obtain it.

Dear Parents and Students,

Assalamun Alaikum.

The Management and staff of the Husayni Madrasah (HMBS) is pleased to welcome you to academic year 2026/1447 (AH). We are looking forward to starting our new year to continue to pursue Islamic knowledge and values through the Holy Qur'an and Ahlul-Bayt (AS). We have an exciting, fruitful, and productive year ahead. With the help of the Almighty (swt) and your full cooperation (students & parents) we will be successful.

This academic year will run from January 2026 to June 2026 after which the Madrasah will transition to an "***August to June***" academic year.

The Husayni Madrasah thrives to provide a peaceful environment to elevate our spiritual life through self-purification by acquiring Islamic knowledge that is obligatory (wajib) for us. For us to succeed, we must have protocols to maintain the integrity and efficient operations. This circular provides the fundamental functioning roles for us to follow to maintain a pristine environment. This relates to students, staff, parents, and administration of HMBS.

The teachers at Husayni Madrasah play a crucial role as part of the learning process. We have great dedicated teachers with decades of experience in our faculty. They have vast knowledge of their areas of expertise. We also conduct regular training to enhance their core subject matter as well as explore new and effective learning techniques to enrich the academic environment.

This document contains important guidelines that must be adhered to by all. We encourage you (Students and Parents) to read it thoroughly. The online consent agreement is part of the registration form that must be completed for this year 2026 by 31st January 2026. The student will not be able to attend classes if this is not done.

OUR VISION:

Husayni Madrasah's vision is to nurture students to become '**Thinking and Practicing Muslims**'.

MISSION 2026:

We will continue enforcing our mission to 'Build a strong relationship with the Holy Qur'an' and in addition, we seek to create a safe, exciting, Islamic learning environment where students are treated with love, kindness, and respect.

Parents are urged to keep up with the practice of Qur'an recitation with the students since time spent at the Madrasah is not sufficient to improve their recitation skills. Regular monitoring of the students' progress in a formative way will determine promotion.
